

## Painters Buddy

### ACRYLIC GAP SEALANT

#### PRODUCT DESCRIPTION

PIONEER PRO Painters Buddy Acrylic Gap Sealant is an acrylic sealant designed as a cost effective gap filler. It has been formulated for use as a multipurpose, interior/exterior sealant that when cured, forms a flexible, durable, weather resistant seal that bonds to most common building materials. PIONEER PRO Painters Buddy Acrylic Gap Sealant is fully paintable and sandable when cured. Uncured sealant cleans up easily with water. It will not bleed, stain or discolor. Sealant guns and tools easily.
